LEAGUE SESSION NOT TO COME TO CAPITAL

Meeting Will Not Be Held Here

to Work

Scores of Women in homes, stores, offices and factories are not fit to be at work. They toil on day after day and year after year suffering with distressing weaknesses and derangements, hoping against hope that they will soon feel better, but how can they hope

to do good work or escape permanent invalidism?

Such women are in danger of derangement of women's functions. They owe it to themselves to try that good old fashioned root and herb remedy Lyclia E. Pinkham's Vegetable Compound, which for more than forty years has been restoring American Women to health and strength. Here is a Notable Example

Joplin, Missouri.—"I took Lydia E. Pinkham's Vegetable Compound to see if it really would do as it was advertised and it sure did, and more. I avas weak and could not do much work, had bearing down pains and had to go to bed. I learned about the Vegetable Compound from my mother and my husband told me to get it. After taking one bottle I was able to be on my feet most of the time and do my work again. I have a baby " eleven months old and I have done all my own work, even the washing and ironing since she was three weeks old. I certainly recommend your great medicine to everyone who complains of female trouble and I am more than willing for you to use my testimonial."

- Mrs. TIMOTHY GRANEY, 426 Connor Ave., Joplin, Mo.

And Another

Chicago, Illinois.- "I suffered for four years with pains in my sides, hips and legs and a terrible backache. I could not do any work at all. I was treated by many physicians but they did not help me. I read in one of your books where other women have been helped by Lydia E. Pinkham's Vegetable Compound, so I tried it and it helped me very much so that now I can do everything in the house. I have told my friends about Vegetable Compound and you have my permission to use this letter."— Mrs. I. OVENSTEIN, 902 S. Marshfield Avenue, Chicago, Ill.

Thousands of such Letters Prove the Curative Value of

Lydia E. Pinkham's legetable Compound
